

Travel & Accomodations

If possible, speakers will want to land at Midway International Airport, as it's the nearest airport to the U of C (20-25 minutes by ground transport, 40 minutes by public transit) and a significantly shorter ride than from O'Hare (about 1 hour by ground transport, 1.5-2 hours by public transit). However, O'Hare International serves virtually all airlines and is always a viable option. Southwest Airlines flies only into Midway.

We assume that our guests will make reasonable travel arrangements with respect to cost, and accommodations are left to the discretion and preferences of speakers. We do encourage speakers to consider options that are in the area (Hyde Park or Midway) because of downtown Chicago's distance from Hyde Park and the cost of daily cab fare. You are by no means limited to the hotels listed below, but here are some suggestions:
